Dear Parents of 8th Grade Teens,

Are you interested in your children being truly successful in life? What parent isn't?

The *National Study of Youth & Religion* sheds light on some of the key ingredients for making our young people truly successful, healthy, happy human beings. That is why our first preparation session for Confirmation is a time for parents to connect with powerful information about young teens as well as pertinent aspects of Confirmation preparation.

Your child and more than eighty eighth graders are invited to receive the Sacrament of Confirmation in the coming year. In addition to the first session for parents, a positive and interesting preparation series for your son or daughter is planned. Here's the process:

1. Return registration form and fee by July 1.
2. Read and save the following dates as priority:

   a. **The September 12th required session for parents will be held from 7:00 – 8:30 PM in Kelly Hall.**

   b. **Additional sessions for sponsors and 8th grade candidates are enclosed. Please note highlighted sections. Information concerning sponsor specifications will be shared on September 12th.**

Fr. Sweany and both of us compose the Confirmation team. We, at St. Anselm parish, are very excited to walk this faith journey with your family. See you in September. If you have any questions, please call us this summer at 729-9575.

Sincerely,

Sr. Ann Whitely — Director of Religious Education

Jean Fitzgerald — Pastoral Associate
